PLANNING

17/02957/FULLN – Erection of 2 No. linked agricultural buildings for free range egg production, with associated hardstanding, access road and highway access – Land East of Andover Road, Redenham, Andover, Hants.

The Chairman pointed out that the location of this revised planning application is in Kimpton Parish and that the Appleshaw Parish Council cannot make formal comment. It was noted that there are still concerns from some Redenham residents concerning their water supply and objections from some Faberstown residents who are in Wiltshire.

JOBS FOR THE LENGTHSMAN

The Chairman asked the Councillors to forward their suggestions for jobs to be undertaken by the Lengthsman, so they can be submitted, as he is due to start in Appleshaw the following week.

COMMUNITY GOVERNANCE REVIEW

The Parish Council have consulted with Penton Grafton Parish Council, and with their agreement, are to submit a proposal to alter the Parish Boundary to move the following properties and gardens from Penton Grafton Parish to Appleshaw Parish:

1-6 The Old Court Yard
Petann
Wood View
Harrow Farmhouse
Back garden of Trevelyan

The Chairman thanked Cllr J Hopkins for the work she has put into preparing the draft document. The Chairman will liaise with Cllr J Hopkins before the document is submitted to Test Valley Borough Council.

SOCIAL HOUSING

This item was included on the Agenda at the request of Cllr J Hopkins. The subject of a 3-bedroom house in West Park, Appleshaw that has been put on the open market by Aster Housing Association was raised. This property had been allocated to a resident of Pippins Grove, whose two-bedroom property had been allocated to another Appleshaw resident. The property was then withdrawn and put on the open market by Aster. The planned move by both parties concerned was cancelled.

The Chairman stated that housing is under the control of Test Valley Borough Council and it is not for Parish Councils to be involved. However, she regretted that Aster had taken this action especially when there is a Housing need in Appleshaw (refer to the Village Design Statement). Appleshaw only has 16 Social Houses.
